A screenshot of the OverDrive app's sign-up screen. At the top, there are two buttons: a red one labeled 'Sign up using library card' and a blue one labeled 'Sign up using Facebook'. Below these is the word 'or'. Underneath is the heading 'Enter your details:' followed by three input fields: 'Name', 'Email address', and 'Email again'. Below these is the heading 'Set a password:' followed by the text 'Your password must be at least 8 characters.' and a 'Password' input field. A black arrow points from a yellow tip box on the right to the 'Email address' input field.

TIP: We've found it's simpler to create an account with your email address.

Step 2, continued

TIP: Sign in using the *same method* each time.

It's faster to log in next time if you check the Remember me box

Add our Library to your Overdrive account.

On most Kindle Fires, you can do this by tapping the  icon in the top-left corner to open the **Home menu**, and then tapping Add a Library.

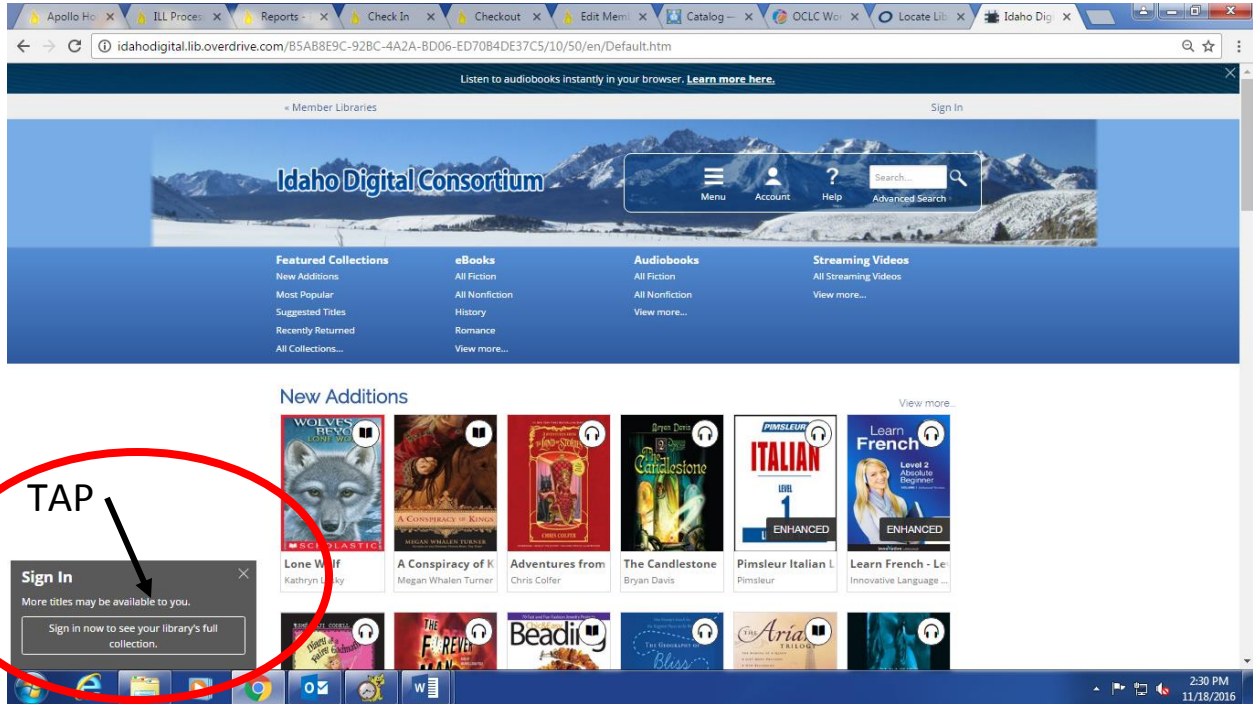

- Tap the star to save your library to your library list. The McCall Public Library is part of the Idaho Digital Consortium.

Tap your library's name (**Idaho Digital Consortium**) to start browsing.

Tip: the search option [Find a Library by name, city or postal code] works using the *name* "McCall Public Library" only! Location or zip code does not find our library.

Step 4

You will now be searching the Idaho Digital Consortium. You will be prompted with a pop-up window in the lower left to sign in with your library card.

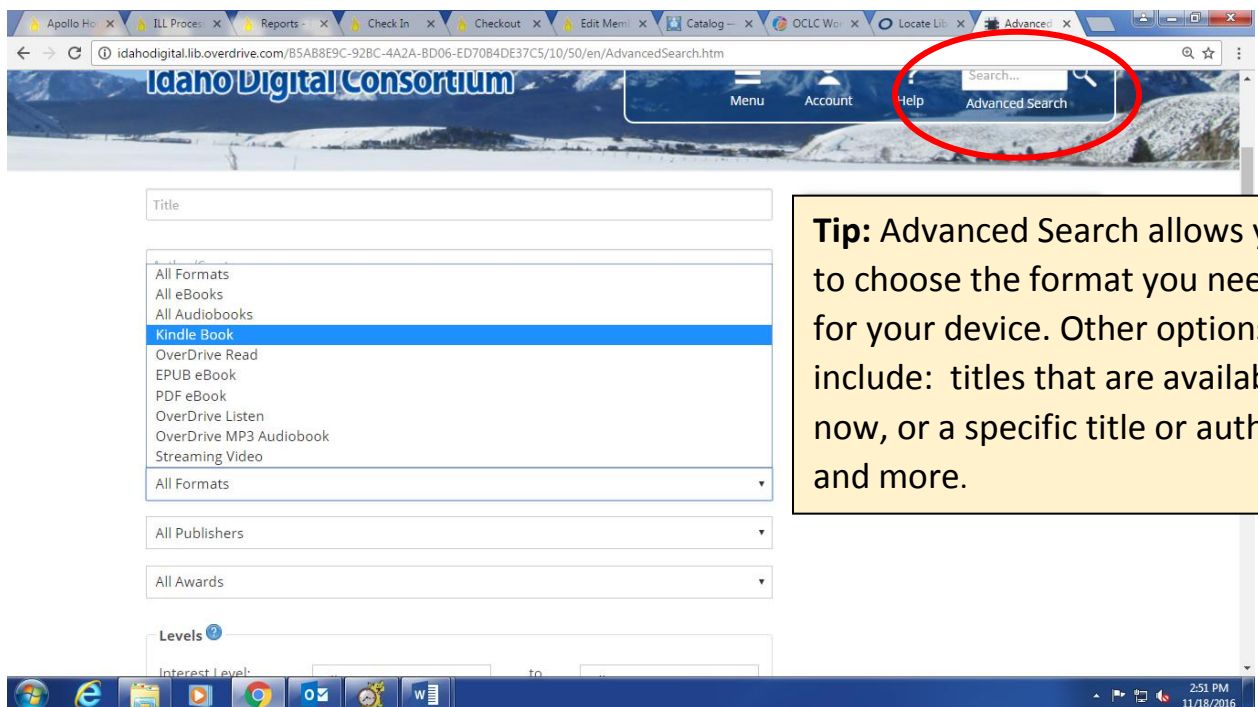

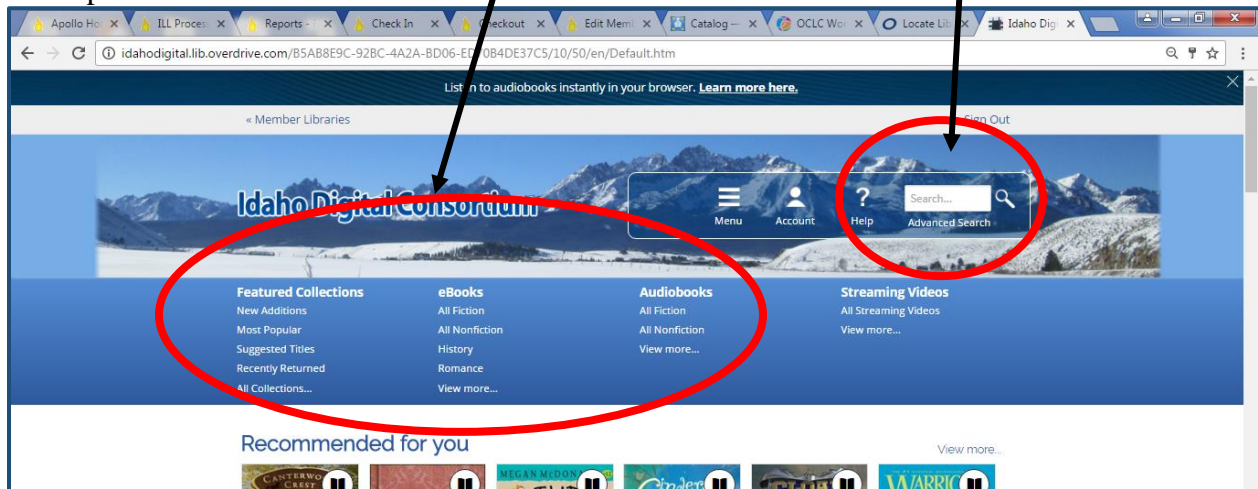

Tip: After choosing McCall Public Library from a dropdown menu, this sign-in will open. Don't forget to enter your **ten digit** phone number
