

Getting started with NOOK tablets

You can use the OverDrive app to get eBooks, audiobooks, streaming videos, and periodicals from your library on your NOOK tablet (such as the NOOK HD, HD+, or Samsung Galaxy Tab 4 NOOK).

Note: Some digital formats may not be available from all libraries.

Step 1

Download the OverDrive app from one of the following:

- [Google Play](#)
- [NOOK Apps Store](#)

Step 2

Open the OverDrive app and follow the prompts to create an [OverDrive account](#) and sign in.

If you're under 13, you may have multiple sign-in options. [Learn which under-13 option is right for you here.](#)

Step 3

In the OverDrive app, tap the icon in the top-left corner to open the **Home menu**. Tap **Manage libraries**, then tap + to [find your library's OverDrive website](#).

- Tap the star to save your library to your library list.
- Tap your library's name to start browsing.

Step 4

Log into your library's OverDrive website with your library card and [borrow a title](#).

*Note: Magazines and newspapers work a little differently than other digital titles. They have a **Send to NOOK app** button instead of a **Borrow** button, and they'll appear right in your NOOK library on your tablet. See [getting started with periodicals](#) for more help.*

Step 5

Find borrowed titles on your **Checkouts** page (under your **Account**) on your library's OverDrive website. From here, you can:

- **Download/Add** [EPUB eBooks](#) and [MP3 audiobooks](#) directly to the OverDrive app.
- **Add** [streaming videos](#) to the OverDrive app.
- Tap **Read** to open and read [OverDrive Read](#) or [MediaDo Reader](#) eBooks right in your browser.
- Tap **Listen** to open and play [OverDrive Listen](#) audiobooks right in your browser (only compatible with the Samsung Galaxy Tab 4 NOOK).
- If you've installed the Kindle reading app from the Google Play store on your NOOK, select **Download**, then **Kindle Book** (U.S. only) to [complete checkout on Amazon's website](#) and send the book to your Kindle reading app.
