

BE A FRIEND OF THE JEROME PUBLIC LIBRARY!

The Jerome Public Library was founded in 1918 by the Jerome Civic Club. Since that time, the library has served the people of Jerome with books, magazines and local newspapers. Over the years, other services and programs have been added including eBooks, eAudiobooks, books on CD, large print books, interlibrary loans, year-round programs for children pre-K through teen, and adult and family programs. There are also computers with word processing and internet access for in-house use, Wi-Fi, literacy workshops, outreach to schools and other groups, and meeting rooms for the public.

The Friends of the Jerome Public Library was organized in 1999 to promote the functions, resources, and services of the Library. The organization works with the Library staff, Library Board of Directors, and the Library Foundation to enhance the Library services. The Friends hold semi-annual book sales on the first Friday and Saturday in May and in November of donated books, CDs, DVDs and items withdrawn from the library. In September 2008, the Friends started a Bookstore within the Library where books may be taken home to keep for a small donation. All these funds are used by the library to supplement the library budget, enabling the Library to have summer reading programs for children, teens and adults. These funds have also been used to purchase headphones for Library computer use, library software, digital camera, PA system, artwork, shelving, books, audio and visual media, furnishings and other projects as needed by the Library.

Join the Friends of the Library! By joining the Friends, you contribute to the Library in several ways. Attending the monthly meetings on the 3rd Thursday of the month allows you to be part of the decision-making process for the library, and your dues go to help fund the library activities and services. Your volunteer hours make projects and activities possible. Memberships are the fiscal year of October 1 through September 30. For more information, call the Librarian at 208-324-5427.
