 - a. To attend, I will need to be in Tennessee from Monday, August 4th to Friday, August 8th 2014.
 - b. Total cost for the training including registration, airfare and hotel will equal 2286.39.
 - c. I have applied to the commission for libraries for a 900.00 grant, and am relatively certain it will be awarded. I am currently searching for other grant funding.
 - d. I ask that the board give professional development time for me to go, and pay my per diem, which according to current GSA rates, would equal 396.00. Beyond that, if I am not able to secure grant funding I am willing to pay the additional cost of attendance.
