WEDNESDAY, JUNE 20

Dead Wake: The Last Crossing of the Lusitania,
by Erik Larson

In this story of the sinking of the Lusitania, Larson switches between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era. Full of glamour, mystery and suspense, *Dead Wake* brings to life a cast of evocative characters, and it captures the sheer drama and emotional power of a disaster that helped place America on the road to war.
