pronunciator:

Learn any — or all! — of the 87 languages that are available with PRONUNCIATOR! Each language course has on average 9,600

instructional phrases — the largest available. Many languages also have **live teachers** to help you one-to-one!

One of the great things about Pronunciator is that you can learn any language, in virtually any other language. Plus, THEY have four types of ESL (American, Australian, British and Canadian) for speakers of 55 non-English languages!
